During Class

Join your PRS RF clicker to your class:

Do this in class when your instructor directs you.

1. Turn on the PRS RF clicker when the instructor tells you to.
2. Let the clicker scan for classes.
3. Once the PRS RF clicker finds the class, push the enter key (green arrow button). When your display shows "**Ans:**" and below that will be the name of the class you have joined.
4. Repeat only this last page of processes for any other class that you are using PRS for.
