

Professional Certifications for Multidisciplinary Professionals

About the Program

Florida State University offers online, multidisciplinary professional certifications. The curriculum of each course enables professionals to develop their knowledge and practical skills needed to work in human services.

The curriculum of each certification is self-paced and includes 10+ hours of course content with research-based readings, case scenarios, multi-media materials, assignments, and quizzes. CEUs are provided for specific professionals.

Perfect for:

- Social Services Providers, Human Resources Staff, Victim Advocates, & Child Welfare Staff
- Counselors, Psychologists, Social Workers, & Guardians ad Litem
- First Responders: Law Enforcement Officers, Firefighters, & EMS
- Medical Professionals: Physicians & Nurses
- Lawyers, Judges, & Legal Assistants
